

ReaAgi
CONSULTING ENGINEERS

COMPANY PROFILE

Introduction to ReaAgi

ReaAgi is a Civil and Structural Engineering Consultancy Firm, with associated expertise in project, contract and programme management.

The company, which was established in 2017, is a level 1 BBEE and 100% black owned and managed.

The business approach is based on stakeholder requirements centered solutions. This ensures that all interested, affected and regulatory parties are consulted in developing solutions.

Mission Statement

To provide engineering solutions that are:

- Sustainable
- Based on proven methodologies while innovative
- Cost effective, implementable within reasonable timeframes, do not compromise quality and safety, and have minimal acceptable or no negative environmental impact
